In today’s complex and challenging healthcare environment, managed care organizations face unique risks and liability exposures around network design and other issues associated with the Affordable Care Act’s provisions and requirements.

OneBeacon Healthcare Group™ understands these risks and takes an approach unique in the managed care E&O insurance industry by providing practical and effective resources designed especially for policyholders.

Managed Care E&O for organizations that seek coverage for today’s changing environment.

OneBeacon Healthcare Group offers a broad range of resources and tools for our policyholders. As an added value to a Managed Care E&O policy we are pleased to offer the following resources, many of which are already included in the policy’s cost.

Exclusive Website
This policyholders-only risk management website has dozens of resources available.

Consultative Services
Robinson + Cole Health Law Group, LLC is available to provide real-time consultation and help during a critical situation. Their extensive experience counseling clients on integrated provider networks, accountable care arrangements and compliance with the related complex regulatory issues, such as clinical and financial integration and other antitrust requirements, makes this a valuable resource.

Case Law and Legislation Updates
With the industry rapidly changing, we keep abreast of the latest legal and regulatory updates. Insights into the changing regulatory and litigation landscape of the healthcare industry and managed care are available to policyholders.

Tips and Tools
These resources are available to policyholders and can be considered while drafting managed care contracts or policies and procedures.

Enewsletters and Publications
OneBeacon Healthcare Group provides enewsletters highlighting various available resources and ideas on how to effectively apply those resources.
About OneBeacon Healthcare Group
OneBeacon Healthcare Group is a brand of OneBeacon Insurance Group, Ltd. OneBeacon Healthcare Group specializes in professional liability coverages and other coverages for hospitals, physicians and complex risks, free-standing medical facilities, senior living organizations, and managed care organizations.
